Description

This spectacular beach front property sits over 2,359 square feet in the East End of British Virgin Islands. With this exciting atmosphere, an exquisitely designed house offers 5 Bedrooms with glass doors and windows which give a natural lighting from the outside. Not only that, but it also offers a relaxing spot from the balcony with a direct view at the Great Camanoe and Tortola, while enjoying the breath of fresh air! Need quality time with the whole family? Worry not, because the spacious living room is a great area for relaxation and entertainment. Scrub Island Marina Property caters to every need with the convenience of secondary needs like access to the pool, easy access to the beach so you could spend more time enjoying different activities such as Scuba diving, Snorkeling, or even a great time in the Beach Bar.
