Description

The Aquamare Estate, Three Luxury Private Beachfront Villas has set a new standard of luxury in Mahoe Bay, Virgin Gorda. The developers have gone above and beyond in exquisite finishing detail in these units. Every detail at Aquamare has been well thought out and well executed and with 24,000 square feet of pristine beachfront to accommodate 36 or more guests. These villas and suites are very spacious and range in size from 8,000 square feet and Lifestyle amenities include; state-of-the-art marble bath and suites,, custom cabinetry, high ceilings, floor to ceiling windows providing the best ocean views, largest infinity pool edge, gracious patio area, spa's. The lush grounds and crystal clear ocean waters are perfect for indulging in all that Virgin Gorda has to offer. Aquamare Villas, Beds were carefully selected for maximum comfort and a pillow menu offers you a choice of 25%/75%, and 50%/50% non-allergenic foam pillows, not to mention the delicate Frette linens, towels and bathrobes available. Wide, open balconies give you a sense of expansion and let you admire the luscious view while you dawdle in a hammock. You can also opt to curl up with a great book inside the in-room living spaces to escape and unwind in tranquility and privacy. The pièce de résistance is located in each of the spa suites: open, yet completely sheltered and private 9- by-12-foot marble baths with separate outdoor shower rooms. The spacious shower rooms open to the beautiful outdoors with large 12-inch diameter shower heads for maximum down-pour. Another of Aquamare's distinguishing features is its private white sandy beach area, known as the "Beach Park", which is located in front of the villas. Beach Park is perfect escape for evening's entertainment and the opportunity to enjoy drinks and dining beach side with some of the most amazing sunsets captured in the Caribbean. Aquamare Villas is nestled on Mahoe Bay, a beach that hosts two spectacular live reefs, where you can find myriad species of underwater life, beautiful and colorful, like few places on Earth.
