Description

Mystic Water is located Nail Bay area of the marvelous island of Virgin Gorda. It also has a short drive down to the beautiful beach of Nail Bay. This property is composed of 5 luxurious bedrooms with 4 cleverly designed bathrooms. The house was brilliantly designed that blends with the natural beauty of the environment. The location gives you a majestic view, which happens to be visible from most areas of the house. This place also gives you access to a private pool, where you may also enjoy the view of the ocean. One of the most impressive design of the house is the unique modern-contemporary design of a 'waterway & waterfall' feature that flows from the interior of the villa to an inviting outdoor pool. Imagine hearing water drops while being surrounded by the house's landscaped garden. Call Beacon Realty today, and we will help you achieve this wonderful piece of art.
