## Description

Hidden amongst the island's undulating hills, Oil Nut Bay's summit estate lots are strategically positioned to maximize privacy and provide the perfect platform for bold, breathtaking living spaces. Estate Home Site 12 is magnificent. Spanning close to 28 acres of hill and valley, and boasting 360 degree views of untouched reef, Caribbean Sea, neighboring islands and the entire community of Oil Nut Bay, this exceptional piece of real estate is boundless in its views and unrivaled in its seclusion. Able to accommodate several separate compounds, it is ideally suited to a multi-generational family who values quality time together punctuated by absolute privacy and peace. Estate Home Site 12 sits at the highest point of Oil Nut Bay, yet is forgiving in its topography with both gentle slopes and stretches of flat terrain upon which to create your masterpiece. Watch the sun rise over the heart of Oil Nut Bay and breathtaking Pajeros Point beyond, and set over the deep blue waters of the coveted North Sound. Enjoy effortless access to first-class amenities just moments away from your exclusive private island retreat. Luxury island living at its absolute best. 360 Degree Ocean Views Ideal for Multiple Dwellings Incredible Sunrises and Sunsets Extreme Privacy Level Terrain Acres: 27.82 Hectares: 11.2
