### Description

Laced along Oil Nut Bay's otherworldly north shore, the Peninsula Neighborhood is home to the development's last remaining real estate opportunities situated right on the beach. Peninsula Home Site 8 is the very last of its kind. The only one of six remaining beachfront properties at Oil Nut Bay to enjoy direct walk-in ocean access, Peninsula Home Site 8 presents an incomparable real estate opportunity. At a little under an acre, with 165 feet of ocean frontage and set on an easy-build slope, a six-bedroom, multi-tiered home could be effortlessly accommodated. This lot is beautifully protected by the bay with strong sunset views towards Eustatia Sound. Step from your deck directly onto white sand beach and into crystal clear sea. Beachfront Caribbean living simply gets no better than this. One of Few Remaining Beach Lots Easy Build Topography Direct Ocean Access Proximity to Resort Core Stunning Views Acres: .89 Hectares:.36
