Description

Spooners residence is a truly amazing work of art. The features of the house were made with carefully selected fine woods for roofing, floorings and even for the furniture. This 6 bedrooms, 5.5 bathrooms house is a perfect investment to look forward to. The balcony of the house is a perfect spot to just sit back and relax, as you enjoy the great Mountain View. The house also has a brilliant entertainment space where you and your friends or family members could gather to play billiards, or simply just to mingle. The living room has a wide space and glass windows allowing the natural lighting to enter the house. With the spacious built of the house, you sure will not get over appreciating the house. To see is to believe, so come and we'll give you a closer look to a property that you soon will own!
