Description

Marguerite Estate, Havers is a unique place to own property and viewed by those fortunate enough to hold real estate here as a true Caribbean paradise and privilege to call home. Certainly well built and elevated high above the waterfront with views of the turquoise seas. Good size four bedrooms with kitchen, dining and living all facing the sea view porch balcony. Very well priced and spacious executive home on 0.5 acres. Recently extended with a separate flat currently rented. Great ...location, close to shops, schools, town and hospitals. Marguerite Estate, Havers is one of Tortola's sought after communities and artfully uniting extraordinary homes with extraordinary lives.
